

PU Coated Knitted Gloves

MODEL NO. PUCG

Patron PU Foam Coated Knitted Gloves are designed to provide reliable protection while maintaining comfort and breathability. Our gloves meet the CE CAT II, EN 420 EN 388 (4131X) ANSI/ISEA ABR 4 standards, ensuring reliable abrasion resistance and non-slip grip. Made with a polyester liner with PU foam coating, our gloves offer increased breathability, dexterity, and grip for wet, oily, and dry applications. Our gloves are lightweight, flexible, and comfortable, making them perfect for use in various industries such as automotive, construction, logistics, small parts handling, light assembly, and general maintenance. Invest in our PU Foam Coated Knitted Gloves and experience the perfect balance of comfort, breathability, and protection
