

# CONVEX MIRROR

## DESCRIPTION:

Impex 99 Convex Mirror, providing the best viewing effect is engineered to withstand extreme outdoor weather conditions. Convex mirror has a mirror back made of polypropylene (PP) material and is fixed with orange brackets, making it suitable for traffic safety usage. The mirror lens is made of PMMA providing a clear reflection. With aluminum circle around the lens, providing additional support and protection.

## USAGE:

Provide a wider field of view, reduce blind spots, and enhance safety in outdoor settings like parking lots and roadsides. Can be used indoor as well as outdoors.
