

LUMINOUS ANTI SLIP TAPE

DESCRIPTION:

Luminous Anti-Slip Tape is a versatile safety solution designed to enhance visibility and prevent slips in low-light conditions. Ideal for both indoor and outdoor use, this high-quality tape combines anti-slip properties with a glow-in-the-dark feature, making it perfect for stairways, walkways, and other areas where safety is a concern

FEATURES:

- **Enhanced Visibility:** Luminous material charges in natural or artificial light and emits a bright glow, improving safety in dark environments.
- **Superior Grip:** The anti-slip surface provides excellent traction, reducing the risk of slips and falls on various surfaces.
- **Durable Construction:** Made from weather-resistant, long-lasting materials, this tape withstands heavy foot traffic and harsh conditions.
- **Easy Application:** Self-adhesive backing allows for quick and straightforward installation on a variety of surfaces.
- **Versatile Use:** Perfect for homes, offices, industrial settings, and outdoor areas, ensuring safety wherever it's needed.
