

## FLEXIBLE TRAFFIC POLE WITH RUBBER BASE

### DESCRIPTION:

Impex flexible traffic post has an intergal shock cord which allows post to revert to upright position after impact. High reflective sleeve on flexible traffic post gives high visibility during day & night.

### USAGE:

Ideal for road traffic in areas such as airports, car park, docksides ideal for traffic.

### CLEANING & MAINTAINANCE :

Flexible Traffic post should be cleaned with a mild road film detergent solution and a cloth. Abrasive substances or solvents will damage the come sleeve and reduce its performance.
