

## WALL MOUNTED RETRACTABLE BELT

### DESCRIPTION:

This is the ideal solution for where a fixed point barrier is required. The Stainless Steel case houses a 3m & 5m long belt and is particularly suited to situations where a higher quality appearance is required. The belt is self-tensioning and can be secured to a wall clip or to a Stainless Steel Belt post.

### USAGE:

- Quickly and easily deployed
- Flexible queue options
- Self tensioning 3 m & 5m belt
- Smooth and controlled belt retraction.
- Stainless steel case
- Wall clip and wall fixings included
