

WET FLOOR SIGN BOARD

DESCRIPTION:

This Wet floor Sign Board is to prevent any unforeseen accidents that could cause harm or damage to a customer or pedestrian. It serves as a clear and visible warning to draw attention to the potential hazard. The sign is highly noticeable due to its bright yellow color, bold English and Arabic lettering, and a red slippery floor warning sign. The sign is made of lightweight plastic material and features a handle and foldable design, making it easy to move and store after use.

MODEL: TS893
